

Silverware BarTender Integration

A direct connection from Microsoft Dynamics 365 Business Central to BarTender for one-click label and barcode printing.

The Silverware BarTender Integration connects your data in Microsoft Dynamics 365 Business Central to best-in-class labeling software, BarTender, by Seagull Scientific, for automated, flexible, and accurate label printing.

ABOUT THE APP

- ✓ **Simple.** Initiate printing of BarTender templated labels and barcodes inside Business Central with one click.
- ✓ **Seamless.** Transfer label and barcode data automatically from Business Central to BarTender.
- ✓ **Controlled.** Set label printing permissions for Users and/or User Groups
- ✓ **Custom.** Map data in Business Central to fields on the BarTender label for complete control of label design.
- ✓ **Streamlined.** Assign labels to print from any page in Business Central.

PRICE

\$200/month.

SUPPORTED VERSIONS

This app is supported in both the Essential and Premium editions of Microsoft Dynamics NAV 365 Business Central.

Requires BarTender Automation Edition, or higher.

Eliminate printing workarounds with a three-step process:

1

Design your label in BarTender or start with a BarTender template

2

Map your label data in Business Central

3

Hit print in Business Central!
